

School Product List for Developing Countries by JAPSON, India

Complete Range of Products Available (Beyond this List) | Customization of Products Possible for Specific Requirements.

A Complete Range of Laboratory Glassware Products of Borosilicate (PYREX) Glass and Neutral Glass.

Contact us for All Types of Requirements including Beakers, All Types of Flasks, Measuring Cylinders, Reagent Bottles, Volumetric Flasks, Burettes, Pipettes, Funnels, Test/Boiling Tubes, Condensers, etc.

Contact us for all Specialized Cone Socket Products and Glass Apparatus. Also Available Class A and B Certified Products.

School Product List for Developing Countries by JAPSON, India

Complete Range of Products Available (Beyond this List) | Customization of Products Possible for Specific Requirements.

Student & Medical Microscopes

A Complete Range of Student & Medical Microscopes including Dissecting, Travelling and all types of Student/Medical Microscopes.

University & Research Microscopes

A Complete Range of University & Research Microscopes including Monocular, Binocular & Trinocular Microscopes with Students, Pathological and Research Grade Optics.

Projection & Digital Microscopes

A Complete Range of Projection & Digital Microscopes including Student Doom Type, with LCD Screen and also with Built-in Computing System

Stereo & Stereo Zoom Microscopes

A Complete Range of Stereo & Stereo Zoom Microscopes.

All Other Microscopes & Microtomes

A Complete Range of Malaria, Fluorescent, Doctor, Multiviewing, Tissue Culture and Metallurgical Microscopes & All Types of Microtomes.

School Product List for Developing Countries by JAPSON, India

Complete Range of Products Available (Beyond this List) | Customization of Products Possible for Specific Requirements.

Autoclaves

A Complete Range of Autoclaves including Portable, Vertical & Horizontal Autoclaves in Single, Double and Triple Wall Configuration. Available with PID and Digital Controllers and Safety Features.

Ovens, Incubators Muffle Furnaces

A Complete Range of Ovens, Incubators, Muffle Furnaces including Stainless Steel and Aluminium types with Analog, P.I.D & Digital Controllers.

Centrifuges

A Complete Range of Centrifuges including Hand, Clinical, Micro, Haematocrite & Refrigerated Centrifuges from Regular to High Speed Types.

Hot Plates & Magnetic Stirrers

A Complete Range of Hot Plates & Magnetic Stirrers including Regular & Digital Types. Also Available Rota Mantles and all types of Laboratory Stirrers.

Water & Other Baths

A Complete Range of Baths including Rectangular, Serological, Tissue Flootation, Oil, Shaking & Ultrasonic Baths.

School Product List for Developing Countries by JAPSON, India

Complete Range of Products Available (Beyond this List) | Customization of Products Possible for Specific Requirements.

Laminar Air Flow & Fume Hood

A Complete Range of Laminar Air Flow & Fume Hood Systems made of Mild Steel, Stainless Steel and Wood.

Laboratory Shakers

A Complete Range of Laboratory Shakers including Vortex, Rotary, VDRL, Flask and Wrist Action Shakers.

Spectrophotometers

A Complete Range of Spectrophotometers including Single, Double, UV-VIS and Atomical Absorbtion Spectrophotometers.

pH, Conductivity, Dissolved Oxygen & Other Meters

A Complete Range of Meters including Table & Portable Meters with Manual and Automatic Temperature Compensation.

Kjeldahl Unit, Mantles & Soxhlet Apparatus

A Complete Range of Kjeldahl Digestion & Distillation Units, Mantles & Soxhlet Apparatus

School Product List for Developing Countries by JAPSON, India

Complete Range of Products Available (Beyond this List) | Customization of Products Possible for Specific Requirements.

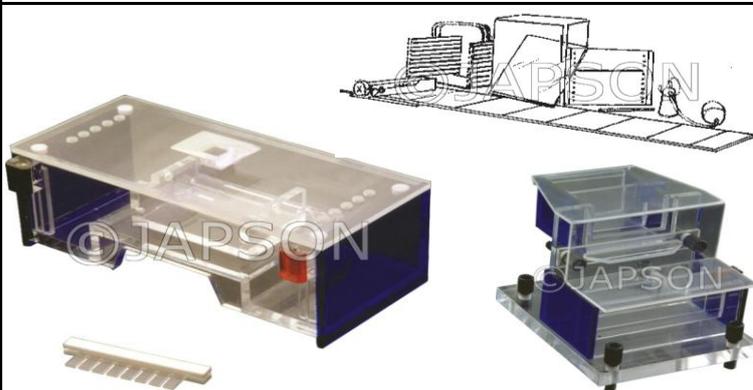

Rotary Vacuum Evaporators

A Complete Range of Rotary Vacuum Evaporators.
High Quality Specialized Product with Patented Technology.

Water Distillation Sets and Stills

A Complete Range of Water Distillation Sets and Stills including Single, Double and Triple stage with Glass & Quartz Apparatus.

TLC Electrophoresis Apparatus

A Complete Range of TLC and Gel Electrophoresis Apparatus

Balances and Weights

A Complete Range of Indian Made Balances including Digital Type, Chemical, Triple Beam, Lever Arm, etc.
Also Available All Types of Weights including Weight Boxes, Slotted, Hooked, Calibrated, etc

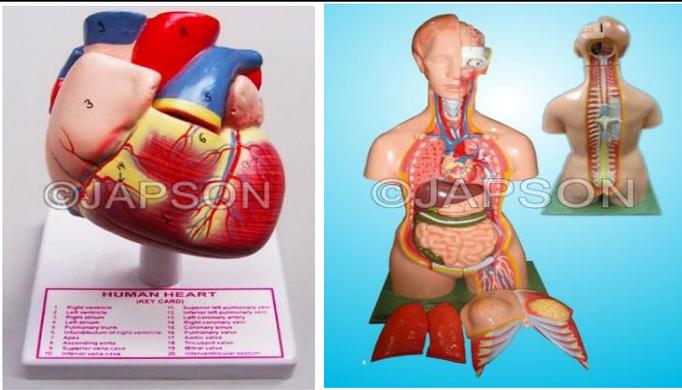

University Laboratory Equipments

A Complete Range of University Laboratory Equipments for Electronics, Electrical, Fluids, Mechanical, Civil and Other Polytechnic Branches.

School Product List for Developing Countries by JAPSON, India

Complete Range of Products Available (Beyond this List) | Customization of Products Possible for Specific Requirements.

Human System Models

Head, Facial and Dental Models

Gynaecology and Nursing Models

Skeleton, Bones, Joints, Zoology & Botany Models

Slides and Specimens

School Product List for Developing Countries by JAPSON, India

Complete Range of Products Available (Beyond this List) | Customization of Products Possible for Specific Requirements.

Hospital Furniture

A Complete Range of Hospital Furniture including Beds, Stands, Partitions, Stretchers, Tables, Stools, Trolleys, etc

Hospital Holloware

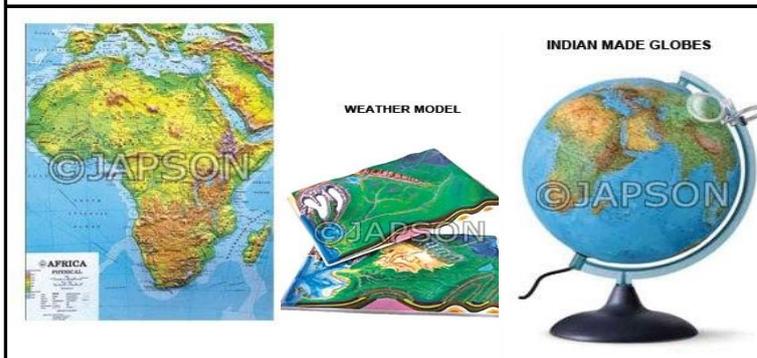

A Complete Range of Hospital Holloware including Dressing Drums, Trays, Sterlizers, Pans, Jars, etc.

Diagnostic Equipments for Hospitals and Other Medical Facilities

Hospital Wears, Baby & Personal Weighing Scales and Hospital Disposables

Rock & Mineral Sets, Globes & Maps, 3D Maps & Models
